Kawartha Food Share believes that its role is
to coordinate community resources to
provide emergency food in a way which
maintains dignity for all and is accountable to
the community. KFS thanks St. James
United Church for the 50 pounds of food
donated in February, the month of love.

Sanctuary Renovations 2020

Many thanks to all those who were able to come out to our Congregational Meeting on January 19th, 2020 to discuss the possibility of some sanctuary renovations for this year. Following the presentation that introduced the renovations and what they would entail, many excellent questions were asked and answered. The motion for the renovations was passed by a very large majority. (*Copies of the presentation that was shared at the meeting are available to take and are located on the table just outside the sanctuary.)

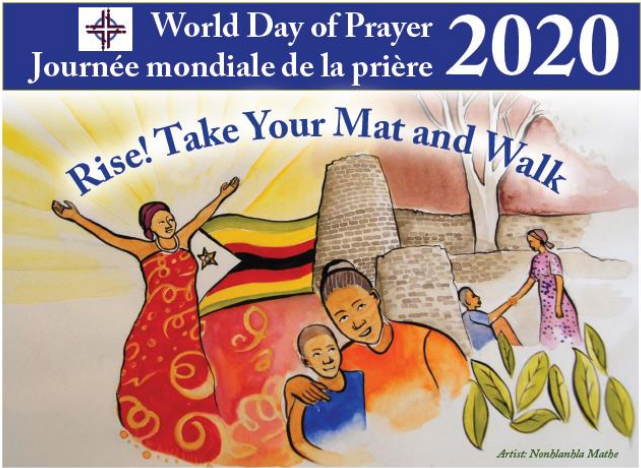

Moving forward, the following people will liaison on behalf of the congregation and the board for the renovations: Ron Horton (Treasurer), Susan Weaver (Official Board Chair), Fred Batley (Chair of Trustees & St. James Players Executive member), Wimpy Borland (member of Stewardship & Fundraising Committees), Jane Huggins (member of the Worship Committee).

If you have questions about this renovation please speak with one of these four people, as they will have the most up to date, accurate information to share.
